COMPANY POLICY & PROCEDURES

REFUSAL OF ORDERS FOR PENNY STOCKS

The stock broker discourages orders of penny stocks. The dealers have been cautioned against transacting in such securities. The stock broker has the right to refuse to trade in such stocks, however in extreme cases, the quantity may be limited and/or the full payment/delivery may be taken in advance. Any loss of profit caused by delay in executing such transactions shall be borne by the client only.

SETTING UP CLIENT'S EXPOSURE LIMITS

Each client will have an upper exposure limit based on the margin requirements of NSE/BSE and SEBI and the amount of money available with the broker. However, the broker has the authority to reduce these limits based on risk perception of the market at that point of time. The reduction may sometimes have to be done without informing the client; however the client will be informed subsequently. Any losses incurred on account of the above shall be borne by the client only. It is the fundamental responsibility of the client to transact within his financial parameters and is duty bound to meet his pay in obligations of securities and funds.

In case of inadequacy of margin available the client may be stopped from taking any fresh position, and the broker is entitled to square off the clients position in case the client is unable to meet his required financial obligations within the stipulated time period.

APPLICABLE BROKERAGE RATES

The Brokerage rates for the various segments, both Capital Market & Derivatives are stated in the attached sheet and are to be signed by the broker and client in token of acceptance. The rates are well below the limit specified by SEBI.

IMPOSITION OF PENALTY/DELAYED PAYMENT CHARGES.

As stated above, the Client is duty bound to meet the delivery obligations arising from net sold position and fund obligation from net debit status within time. The company primarily does not impose penalty / delayed payment charges as the case maybe. However Exchange charges for short delivery will be to the Client's account as well all debits/credits arising from the Auction procedure. The company does not believe in delayed payment charges or other methodology which would be equivalent to allowing the client time to meet his funds liabilities. The company views such non payment seriously and would affect exposure limits in the future. However the company has the right to withhold the securities and dispose the securities in such an unpaid case per SEBI Circular and any costs of retention and any loss on disposal would be to the Client's account.

RIGHT TO SELL CLIENT'S SECURITIES /CLOSE POSITIONS ON NON PAYMENT

It is not the policy of the company to unilaterally sell client's securities or close positions. Whenever such a situation arises, if the Client fails to respond appropriately, the company will take action for square out / disposal per SEBI Circular. The cost, debits, and losses if any will be to the Client's account and the Client will be liable for any debit balance remaining in the account.

SHORTAGES ARISING OUT OF INTERNAL DELIVERY SETTLEMENT

These will be dealt with Exchange Guidelines.

REFUSAL TO INCREASE POSITION OR CLOSE EXISTING POSITION

The Company reserves the right not to increase positions/exposure of the Client taking into account the Client's account status and capacity, risk perception & management, market status and related issues prevailing at that point of time. The company will always allow a transaction reducing the Client's position.

TEMPORARY SUSPENSION/CLOSING ACCOUNT AT CLIENT'S REQUEST

As the Client is the only person to operate his account through order placement, it is the sole prerogative of the Client to trade, not to trade, suspend or close the account. The instruction to suspend or close the account will need to be in writing. However any debits in the account are to be settled irrespective of account suspension/closure.

DEREGISTERING A CLIENT

The company reserves the right to deregister a Client without assigning any reasons, by giving a written notice in the manner prescribed by the Exchanges from time to time.
